

A woman with long dark hair, wearing a white long-sleeved shirt and dark pants, is reclining in a large, plush blue armchair. She has her hands behind her head and is smiling with her eyes closed, appearing to be in a state of relaxation. The chair is positioned next to a large floor-to-ceiling window that offers a view of a city skyline. In the foreground, a small white table holds a potted plant with long green leaves. A red chevron graphic is located in the top right corner of the image.
